So, you want to have a business out of your home. The following is a guide as to the process in which you must follow prior to establishing your home occupation. Depending on the business in which you would like to conduct out of your home, you may need to go through the Special Exception process, or you may simply need to complete a Business Privilege License Application and Zoning Certification Form (Examples attached) prior to the startup of your home occupation.

Since it is impossible to name all the possible home occupations, this guide will help answer some questions you may have.

While there are many different types of home occupations, the following uses require a Special Exception application in the R-1, R-2, R-3, R-3A, R-4, R-5, R-5A, and R-6 Zoning Districts:

1. Single operator barber shop as in home occupation
2. Single operator beauty shop as in home occupation
3. Day Care Center **

** Note – There are 3 types of Day Care centers: 1) Family Daycare; 2) In Home Group Care; and 3) Day Care Center (A separate Guide is available for Daycare Centers)

If you are planning on one of these businesses, please complete the application for a Special Exception.

As always, should you have any questions, please contact the Zoning Officer at (610) 437-5524, Ext. 1155.

Please know all information, forms and permits can be found on the Township’s website at www.whitehalltownship.org.
