

To All Township Residents.

The winter season is upon us. This means snow and of course plowing it. We can use your help in this matter.

If you have a portable Basketball hoop in the street or on the curb line, please remove and put in your yard. These are technically illegal in the streets to begin with. If they are on the curb line they still don't meet the minimum height requirement of 14'.

Also please do not shovel the snow into the street. This also includes businesses that plow their snow into the street. If seen you are subject for a fine.

Once again thank you in advance and hoping for a mild winter and an early spring.

Whitehall Township Public Works Department
