G U I D E

Note: This is a GUIDE ONLY – For detailed information, Contact the Township as additional requirements may pertain to your Day Care

So, you want to operate a Day Care Facility in Whitehall Township. Did you know there are 3 classifications of Daycare facilities? They are Family Child Day Care, Group Day Care and Commercial Day Care Centers. Which one of these will your facility fall under? The difference in each of these is the allowable number of children under the care of the provider. Below you will find a definition of each of these facilities.

DEFINITIONS

Family Child Day Care – A home other than the child’s own home, operated for profit or not-for-profit, in which child day care is provided at any one time to four, five or six children unrelated to the operator.

Group Day Care – The premises in which care is provided at one time for more than six but fewer than 16 older school-age level children or more than six but fewer than 13 children of another age level who are unrelated to the operator. The term includes a facility located in a residence or another premises.

Child Day Care Center – The premises in which care is provided at any one time for seven or more children unrelated to the operator.

Listed below you will find the different requirements for each classification. Please remember, if there will be work done that requires a building permit the permits required must be **submitted for and approved prior** to doing any work. Any and all inspections shall be completed, and a Certificate of Occupancy shall be secured prior to facility being open for business.
